Cuesta College Federation of Teachers Audit Report

March 18, 2011

I have examined the financial records for the Cuesta College Federation of Teachers for the period July 1, 2008 through June 30, 2009, and found them to be in good order. This examination was performed by a committee made of a member of the Cuesta College Federation of Teachers Council of Representatives and was not conducted in accordance with the generally accepted accounting principles. I have included some comments for the federation to take into consideration.

Based upon the examination, we consider the attached financial statements for the period July 1, 2008 through June 30, 2009 to be an accurate summary of transactions conducted during that period.

Sincerely,

Cynthia B. Wilshusen, Chair
CCFT Financial Review Committee

*Comments to Audit Report Prepared by the Financial Review Committee
of the
Cuesta College Federation of Teachers*

Comments/Recommendations:

1. Internal Controls:

- a. In the beginning of July 1, 2008 through June 20, 2009 year the Federation did not require two signatures on written checks. The federation changed this policy in later part of 2009 when the secretary treasure position moved to a new officer. It is recommended that the Federation continue to use two signatures on checks on a regular basis.
- b. There was an inconsistent use of checks in sequential order, it is recommended that when replacing the checkbook with checks that the number sequence is verified and remains in a sequential order. Using checks out of order could suggest misplacement or removal from a secure storage location. Ie: check number 2525 was used in 7/08 then check number 2411 was used in 7/08.
- c. The Executive Board minutes do a great job addressing all monetary items; budgeted or not. The minutes denote that the Treasure takes due diligence to identify any new non budgeted items that need approval. Additionally the treasure was responsible about making a verbal report to the Executive Board, however on a regular basis there was no written report or financial statements accompanied the meeting minutes. It is recommended that the secretary treasure present a current period Statement of Income and Expenses at the Executive Board Meeting to supplement the report.
- d. The budget presented to the financial review committee was very detailed, especially including items that appeared to be unused or from previous years. It is recommended that the treasure update the budget to exclude any items that are no longer used and show only non-zero accounts. It is also suggested that the chart of accounts be updated to be consistent with the use of names and account numbers. The budget could be cleaned up by grouping similar accounts and numbering them consistently. Ie: account 4818 does not have a name associated to it, only the account number.

2. Cash Receipts

- a. The treasure has taken a great deal of effort to ensure all deposits are made in a timely manner to ensure maximized usage.

3. Cash Disbursements

- a. All expenditures were paid by check, however as mentioned before the sequence of the checks was a concern. As mentioned in Internal Controls ensure that the checks are stored in sequence.

4. Reconcile Bank Accounts

- a. Checking accounts have been balanced monthly and accurately.

5. Reconcile Other Accounts

- a. Checking accounts have been balanced monthly and accurately.

6. Supporting Documents

- a. The Federation uses a Reimbursement Request Form and this provides a clear indication on how the funds were spent and categorized. It would be recommended that other expenses use a similar document so the supporting documents (Invoice/Bill) have notations for account assignment to make entering into the computerized system efficient.

7. Financial Statements

- a. As mentioned in Internal Controls, it is advised that the Statement of Income and Expenses is prepared more frequently to be presented at the Executive Board, or at least quarterly for verification.
