

CCFT report to the Senate Council 3/11/2022

1. We're entering the last week of the CCFT [membership drive](#). There is time left for CCFT members to recruit new members! The recruiter and the recruitee each earn a \$10 gift card, and the recruiter is entered into a drawing for \$250. More info at <https://ccft.org/?p=2078>
2. The CCFT task force for developing an evaluation form/process for hybrid/blended classes met this week. Many thanks to Amelia, Brittany, Jude, and Jen for getting started so quickly! CCFT will bring a draft to the Academic Senate Council for consultation.
3. You're probably aware that the College mask policy is changing as of March 14. Instructors and service faculty get to set the mask policy for their individual instructional spaces and offices. Please be respectful and aware of the wide variety of opinions, circumstances, and risk-tolerances that Cuesta staff and students hold. Being kind and free of judgement or ridicule will be important considerations as we interact with people who may be fearful, anxious, or angry over the next few weeks.
