

CCFT Senate Report
Sept 23, 2022

1. **Complete the CCFT survey** to voice your opinion on potential items in our upcoming negotiations. <https://www.surveymonkey.com/r/3XMNNZM> The survey is open to all faculty, not just CCFT members, as we are obligated to get feedback from all faculty at Cuesta. When it comes time to vote, only members get to cast a ballot.
2. For more information on survey topics, as well as other items of interest, please read our fall newsletter <https://bit.ly/3xC3rn5>
3. **Support Adrienne Garcia-Specht**, candidate for Board of Trustees District 4 (So County). Adrienne is former Cuesta faculty (English, 2015) and works in financial aid at Cal Poly. She's going to be a great representative for students. Please consider even a [small donation of \\$10](#) to help her in her campaign against trustee Sysak. If you live in South County, please consider a [yard sign and talking to your neighbors](#).
4. **CCFT is hoping to commence negotiations** either in mid-October or mid-November for our new contract that would start July 1, 2023.
