No units shall be counted for both a Bachelor's degree and a higher degree.

**Units taken after the Bachelor's degree has been earned which are not of graduate level are acceptable at the discretion of the Superintendent/President upon demonstration that such courses contribute to the professional growth of the instructor or are within his/her major or minor area. Continuing education work taken after the Bachelor's degree which is not of graduate level but was acceptable for schedule placement at former school districts will be subject to review.

Salary Placement Procedures - Regular and Temporary Faculty

B. A newly employed faculty member shall be placed on the appropriate column and step no lower than step 3 of the applicable faculty salary schedule in effect at the commencement of the individual's employment pursuant to the following provisions:

1. Column placement shall be established by the individual's certified and acceptable graduate work completed in accredited institutions or by the appropriate vocational experience upon which issuance of the credential was based, or based upon hours completed in workshops/training that leads to certification in the discipline.
2. For regular faculty and, effective July 1, 2000, for full-time temporary faculty, initial step placement on the full-time salary schedule for an individual who has prior full-time faculty experience at another educational facility or related occupational experience that exceeds credential requirements shall be determined by the following guideline (a or b) which grants the greater step credit:
 - a. Beginning Fall 2019, the step determined by allowing one step for each two full years of related experience and/or one step for completion of four semesters and a minimum of 10 semester units (or equivalent for service faculty) during that interval as a temporary faculty member. Maximum placement shall be at the eighth step.
 - b. The step representing the amount next greater than the individual's last annual basic ten month faculty or occupational salary.
3. Initial step placement for an individual who is hired into a temporary faculty position and who has prior full-time faculty experience or related occupational experience that exceeds credential requirements on the temporary lab/lecture salary schedules, as appropriate, shall be determined by the following guidelines (a or b) which grants the greater step credit:
 - a. The step determined by allowing one step for two complete years of academic experience or the step determined by allowing one step for each two full years of related experience, whichever yields the higher placement. Maximum placement shall be at the eighth step.
 - b. The step representing the amount next greater than the individual's last annual basic ten month faculty or occupational salary, prorated to the level of the current assignment.
4. Placements in exception to these requirements may be made by the Superintendent/President, within the following limitations, provided that such proposed exceptions are submitted to the Board of Trustees for final approval. Such exceptions may be made when:
 - a. A lack of available qualified personnel makes it mandatory to waive some requirements;
 - b. The position to be filled requires supervisory or administrative duties and responsibilities;
 - c. Compelling reasons require employment of a particular candidate not otherwise available to the college.

Salary Step Advancement and Column Changes:

C. Step advancement for regular faculty shall be implemented at the beginning of each fiscal year. Step advancement for temporary faculty shall be based upon the completion of a minimum of four semesters and/or summer sessions of teaching/service experience and a minimum of 15 semester units of teaching (or equivalent for service faculty) with the District and shall become effective the next semester or summer session.
