TENTATIVE AGREEMENT

May 16, 2023

Pending CCFT Ratification and Board of Trustees Approval

The San Luis Obispo County Community College District and the Cuesta College Federation of Teachers have completed negotiations of Article 4.20, Pay for College and Career Access Pathways (Dual Enrollment) Faculty Designee, for the 2023-2024 and 2024-2025 academic years. This article will be amended as follows:

- 4.20 The District will compensate faculty members for serving as the Faculty Designee and contributing to oversight and course effectiveness assessment. Identified faculty designees will be compensated for five (5) hours per section automatically, on an hourly basis from their assigned step and column of the Temporary, Part-Time & Full-Time Overload Two-Thirds Laboratory/Hourly Faculty Salary Schedule.

Hours exceeding the pre-approved five (5) hours per section must be submitted in writing to the appropriate Dean for approval. An email is a sufficient form of the written request. The request should include an estimate (if possible) of how many additional hours are needed and what those hours will be spent working on such as curriculum, site visits, meetings, etc. It is understood that for the initial course setup there may be a need for additional hours.

Faculty designees assigned to multiple sections of a course taught by the same teacher will only be compensated for one section.

Faculty Designees will perform the following duties:

For New Dual Enrollment Course Requests:

- a. Contact and schedule an initial meeting and additional meetings (if necessary) with the high school teacher.
- b. Assist the high school teacher with obtaining Cuesta resources such as Course Outline of Record, SLOs, and syllabus.
- c. Meet with high school teacher for curriculum review.
- d. Meet with high school teacher to evaluate lab facility and equipment (if applicable).
